BLUE SPECTRUM featuring Zayne Harshaw

Zayne Harshaw, a gifted guitarist with autism, founded Blue Spectrum in 2013, driven by his passion for music and dedication to inspiring others. Since then, Zayne and the band have shared their electrifying blend of blues, rock, and soul with audiences across Ohio and beyond. His dream is to spread his powerful message and music worldwide, proving that passion and talent know no boundaries.

Living by their motto, "Life is not to be viewed through the single lens of a diagnosis but through the spectrum of potential, promise, and purpose," Blue Spectrum inspires audiences to believe in their dreams.

- The 2024 winner of the Columbus Blues Alliance Blues Challenge
